WAR SITUATION—LATEST.

The greatest naval battle in the history of the world is believed to be impending, and the outcome will determine the future of the world. The United States and Spain are at war, and the result will determine the future of the world. The United States and Spain are at war, and the result will determine the future of the world. The United States and Spain are at war, and the result will determine the future of the world.

War for Humanity.

The reports that the people in Havana are dying by the hundreds and that their bodies are being carried out by the loads and thrown out for the buzzards to feed on, together with the lack of food and shelter among the insurgents, is horrible. One of the main objects justifying the United States engaging in this war was to relieve the suffering and starvation among the people of Cuba. The United States is engaged in this war for humanity.

Locked War News.

The rigid rule of the War Department not permitting any official information as to the movements of our war vessels, or any intended operations of the army, makes any and all war news exceedingly unreliable. The newspapers of the great newspapers are active and alert, but they are not reliable. The War Department is locked.

Partisan Knocked Out.

War, actual hostilities with a few exceptions, has been completely knocked out of the picture. The partisan divisions as to party lines, and the consequent issues resulting from the war, in management and conduct, the imposition of new taxes, the manner and method of raising new revenues, the acquisition of new territory, and the like, are all being put aside. The partisan is knocked out.

HON. BOY KEENE, of Wickliffe.

is thinking of running for the Democratic nomination for Congress in this district. He is a prominent citizen and a member of the House of Representatives. He is thinking of running for Congress.

Greater America!

"Greater America!" is now the rallying cry of a very large proportion of the newspapers of the United States, and this cry is not without foundation. The United States is a great country, and it is time that we recognize it as such. Greater America!

European Sympathy.

There is not a particle of doubt but that the sympathy of Europe, France, Italy, Germany, and in fact all Europe, except Great Britain, is decidedly on the side of Spain. The European countries are sympathetic towards Spain, and this is a fact that cannot be denied.

New State Laws.

The new law creating a Board of Prison Commissioners for the control and management of the State penitentiaries has been passed. This is a significant step in the reform of the prison system. The new State Laws are being implemented.

War Prices.

Higher prices for nearly everything are being paid. The war has caused a significant increase in prices. War Prices are being paid for many goods.

No Nations Will Intervene.

The impartial ones of the French, Austrian, and German press have ceased widespread apprehension that European nations would intervene in some way for the assistance of the Spanish cause. No Nations Will Intervene.

THE SPANISH AMENITIES.

In discussing the work of the State Board of Equalization the Board of Equalization has been discussing the work of the State Board of Equalization. The Board of Equalization is working to ensure fairness in taxation.

WELL KNOWN OUR BUSINESS.

It is announced on London authority that Germany is prepared to signify her approval of the proposed Franco-Spanish agreement. This is a significant development in the negotiations between France and Spain.

Juries vs. Railroads.

It is the months of many to say that juries are ever ready to return verdicts against railroad companies regardless of the law. The railroads are often the target of juries, and this is a problem that needs to be addressed.

SPAIN WILL LOSE ALL.

The general opinion in Europe is that Spain will be stripped of her possessions, that is, the dependent colonies, as the result of the war with the United States. Spain will lose all.

THE DEBATE OF AN EMPIRE.

It is extremely difficult for the American to understand prevailing conditions in Spain, and the debate of an empire is a complex issue. The debate of an empire is a complex issue.

PROPOSED AMENDMENT.

The war has so thoroughly agitated public attention that not much notice is given to the details in Congress, but nevertheless, some things have been done recently that were of general interest.

STICK TO MORRIS DOCTRINE.

The effort to annex Hawaii and the talk about taking Cuba and the Philippine Islands from Spain, look like the sentiment is growing in this country in favor of entering upon a policy of territorial aggression.

WE ARE GETTING CHEERY.

England and the United States are getting cheery. The war has brought a sense of optimism to many people. We are getting cheery.
